Hampton Yachts 686 Endurance Skylounge– 686-21

- Year: 2015
- Price: \$ 3,899,800
- Location: En Route to Ft. Lauderdale, FL, United States
- Hull Material: Fiberglass
- Fuel Type: Diesel
- YachtWorld ID: 2607465
- Condition: New

NEW MODEL FOR THE HAMPTON LINE-UP

Take a look at this new model for 2015 - the Hampton Endurance 686 Skylounge. We have taken the E-680 and added 6" to the hull. By doing this and changing the location of the master head and shower we were able to add a 3rd full private guest head and shower.

Designed with a double portuguese bridge like the E-720 but the big difference is that the walkways stop at the front windows. This allows for convenient washing of the front windows with a brush and hose. A full skylounge will include a working desk on the bridge with a file drawer and pull out shelf for a printer.

The Twin Caterpillar C-18 1150hp engines assure the owner he can do 17/19 knots when needed, top speed of 21/22 but still sip fuel at 8-10 knots.

The features and benefits of this new model will be second to none. Where can you find a yacht in this size range with 2 day heads, 4 heads/showers, 8 TV sets, 3 staterooms plus crew quarters? You can find all this and more in a Hampton Yacht.

Call today and we can customize the interior and decor to your specifications.

- Separate shower room with Grohe faucet and corian floor
- Reading lights
- Flip up table/desk top
- Opening ports
- Counter top with with sink, refrigerator, micro wave, storage and bar stools
- Storage room
- Electrical panel
- Water tight engine room access door with window
- Garmin GM1-10 Anchor/Depth-Watch

Electronics

All electronics factory installed and approved by Garmin factory technicians.

- (3) 8000 Plotters

- (3) GM1-10 Depthsounder
- (2) VHF-200 w/antennas
- (1) GMR-606 XHD Radar
- (2) GPS 17X Antenna's
- (1) GXM-51 SAT Weather Radio
- (1) GA-30 and AIS600 Transponder
- (1) GHC-10 Autopilot w/GAP10ECU
- (3) GC-10 Marine Cameras
- (1) GSD 24 Color Depth Sounder
- (1) Power Isolator to assure proper voltage
- Plus all RF, Video & Backbone Cables.
- (3) Blue Ocean LED A-12 PRO Underwater Lights
- Intellian HD6 SAT TV Antenna
- Intellian HD6 Dummy Dome
- Pre-wired for SAT TV - boxes to be provided and installed at buyer's expense (all HDMI cables are run to all 8 TV units)

Engine Room / Electrical

- Twin 1150HP Caterpillar C-18 Engines
- Cat Engine Controls
- Under water exhaust system with bypass to transom
- Dripless packing glands. Tides w/ spare seal on shaft
- "Sound Down" insulation in engine room
- Engine room bulkhead insulated with extra foam sound insulation
- Delta-T engine room blowers
- Stainless steel Aquamet 22 shafts and 5 blade precision propellers
- Fiberglass exhaust mufflers
- F.R.P. water tanks tested to above marine grade to 4 PSI
- Racor Dual 1000FG fuel filters for each engine
- S/S rudders and rudder posts with dripless packing
- F.R.P. fuel tanks
- Parker fuel lines
- Color coded water lines
- Color coded hydraulic fluid lines
- Pressured fresh water system w/Head Hunter AC Pump & DC Pump back up
- Seacocks and sea strainers on engine raw water intakes
- Rule automatic bilge pumps
- One Whale Gusher hand bilge pump
- (2) 20 gallon water heater with heat exchanger
- F.R.P. diamond plate rubber floors
- Holding tank with macerator pump plumbed for deck side or overboard discharge
- Engine room LED lighting
- Engine, transmission, generator oil changing system
- Engine shut downs tied to fire system

- Engine room fire extinguisher system
- High water bilge alarm
- Work area above generators
- Fresh water outlet
- White PU painted bilge
- Engine room vents w/ automatic fire doors

Electrical System

- Complete AC/DC breaker/distribution panel w/ back light
- Kohler 23 KW/60 HZ generator with sound shield
- Kohler 15.5 KW/60HZ generator with sound shield
- Inverter 4.0 KW with remote panel
- (2) 75' Glendinning Cable master
- (2) Charles 50 Amp battery charger
- Battery selection switches
- Shore power selection switch
- Quality AC lighting and LED DC lighting
- 120V outlets throughout w/GFI in selected areas
- Navigation, anchor & running lights
- Bonded electrical system
- Color coded wiring system
- Dual air horn

All batteries are AGM

- (10) 115 Amp heavy duty marine batteries w/box for house system
- (4) 200 Amp heavy duty marine batteries w/boxes for engine starting
- (2) 120 Amp heavy duty marine batteries w/boxes for starting generator

General Equipment & Other Features

- Chilled-water reverse cycle air conditioning system (two 60 KBTU)
- Back up raw water pump for A/C system
- Back up circulation pump for A/C system
- Hydraulic power steering pumps on both engines
- Wesmar 3 term Stabilizer system with 9 sq. ft. fins
- Wesmar 33HP Bow Thruster / Wesmar 33HP Stern Thruster
- Muir VWC hydraulic windlass with 3 station controls
- Port & Stbd aft deck engine controls w/ joystick control for docking
- 176lbs S/S anchor and 275' anchor chain, 110 lb S/S Bruce w/ 275' of anchor chain
- G.E. Washer and Dryer w/ storage cabinet
- (3) video camera with (2) monitors for engine room and (1) wide angle on aft deck
- Central vacuum system with access to all areas
- Trim tabs S/S heavy duty
- Deck wash down at fwd and aft decks and bridge aft deck
- Dockside water pressure connection

- **#316L grade stainless steel** for mooring cleats, chocks, anchor roller, handrails, and stanchions
- TV, phone, and water inlets
- Stainless steel portholes w/ screens
- Coast Guard safety package
- One year limited warranty
- Five year limited hull structure warranty
- Low profile 1,800 LBS Davit with Power Lift and power Rotate
- LED lighting throughout
- Decor Allowance TBA if pre-ordered
